ABOUT

With over 50 million Spotify streams worldwide, just Fede has quickly become one of Belgium's 40 most-streamed artists.

climaxplay.net/country/be

His breakout track "On The Other Side" captured listeners around the globe.

COLLABS

Just Fede works with record labels and publisher leaders in his music style such as Warner Benelux (Ada). His releases are also distributed by Paraiso, Soave, Spectrum (Sony UK), Diepgraven, Altast.

LIVE SHOWS

Just Fede Live is a high-energy DJ experience blending international dance hits, Afro house, and exclusive remixes and edits, including reimagined versions of his own tracks. Currently based in Nice, he is holding shows internationally, with recently his own concert in Kenya and ADE in Amsterdam.

TECHNICAL RIDER

First of all, a big thank you for welcoming just Fede. Below are a few technical recommendations designed to help ensure that our time together runs smoothly and delivers the best possible experience for the audience and everyone involved.

SETUP or similar

- ✓ 2 x Pioneer CDJ2000-NXS-2 or CDJ3000 CD Decks, or similar
- ✓ 1 x Pioneer DJM-900-NXS-2 Mixer, or similar
- ✓ 2 x Booth Monitor Speakers, controlled from booth out-put.
- ✓ Waist Height DJ on 90 cm Scaff Legs, or similar
- ✓ 1 x Laptop Stand

just Fede performs as a guest DJ and does not bring his own decks, sound system, or production gear. We kindly ask the venue to provide a standard professional DJ setup.
